#### A Message from the Chief

Greetings Wagon!

It has been a very good start to the lodge year as we've already had three events in just a short couple of months. In February, our Annual Lodge Banquet was held at Mount Pleasant High School which was an amazing event with great food, fun activities, and a large turnout. In the past few weeks, we also had our April Service Weekend and our Cub Scout Spring Nature Walk. Both events went very well thanks to the hard work from our LEC and lodge members.

In just a short couple of weeks, we will have our June Service Weekend up at camp from June 7-9. Registration ends on June 2nd at midnight. Remember to register on the Wagon website or follow the link from our social media. If you are a Silver Arrowman, we ask that you please register with the link for this event as we need accurate numbers to add to our food count. The cost of the event for everyone is \$25 and if you have not paid your dues yet, the cost of lodge dues is also \$25.

I also would like to recognize that there are going to be new members joining our lodge as we induct new Ordeals every weekend. Whenever we, as members, took our Ordeals, it certainly made a lasting impact on all of us, so please help make this event as memorable for the new members as it was for you. This doesn't need to be much but, by having a simple conversation with an Ordeal, attending ceremonies, or even working with an Ordeal crew, we can make it a great experience for those entering our lodge. Thank you all for your help throughout the year, I am looking forward to seeing you all in June, and Rock On, Wagon!

## Program Vice Chief - Brian Broadwater

Greetings Wagon!

I'm happy to say that we had an extremely successful April Service Weekend. Our next major event is the June Weekend. This year, our theme is Christmas, and we are very excited. There will be a lot of fun things to do this weekend as well as many great service projects. I ask that you all attend and spread the word about this weekend to your troops and encourage any lodge members to attend. If you don't attend, you might end up on the naughty list! As always, if anyone is interested in joining a committee, there are plenty of awesome committees that would love to have you. The Program Division is always looking for new members to help and run activities, be an Elangomat, or even be a part of ceremonies. If you want to join a committee or help out at the weekend, please contact any of the officers or chairmen. Thanks, and Carry on Wagon!

In Service,  
Brian Broadwater

## Administrative Vice Chief - Angela Henry

Hello Wagon!

'Tis the season for service and celebration as we come together to wish Conestoga a Happy 75th Birthday! I hope that you had a great time at our April Service Weekend; I know I did. We got lots done up at camp, and we're all one step closer to welcoming hundreds of youth into our camp this summer. Next up is our "Christmas in June" service weekend, and this is your chance to come up and give back to your camp. There's tons of service, activities, and fellowship planned, and it wouldn't be the same without you! Don't forget your health forms if you haven't turned them in yet! I'll see you all in June.

In Service,  
Angela Henry

## Secretary - Carl Schaefer

Hello Wagion!

We had a great time at the April Weekend. From service to fellowship, and all else in-between, I believe it was a great start to our year as the first service weekend. Now, we are looking forward to June. From the communications side of things, we are still looking for interested members to fill up our Promotions Committee. This committee is tasked with developing promotional materials for both online and in-person distribution, so if you have confidence in graphic design (or want to learn), this committee might be right for you. In addition, for LEC members, we would like to see more content on the website. If you would like to receive website access to communicate any updates and/or needs from your committees, feel free to reach out. Other than that, be sure to register for the June Weekend. Carry on, Wagion!

In Service,  
Carl Schaefer

## Treasurer - Alena Seder

Greetings Wagion!

I hope everyone who came out to the April Weekend had a great time. We had great food and activities for everyone. I am super excited to see everyone back at the June Weekend.

A quick reminder for everyone, when you come to the weekend please make sure to check in with membership either Friday night or sometime during one of the meals.

Carry on,  
Alena Seder

## CONTRIBUTE TO THE T-BIRD!

You may notice that this T-Bird is a bit shorter than usual. While it still has a lot of great information in it, getting enough content to fill the pages is hard. That is why I challenge everyone who is reading this article to contribute to the T-Bird and be bold in giving back to your lodge.

A perfect example of this is our brand new Opinion Column found on pages 8 and 9. Be like Jayden and Ross and take a little time to make great, fun content that brings us together! This contribution does not go unnoticed, and the Communications Committee is hard at work looking to find some way to say thank you to all who are going out of there way to create great content for what most call our most important form of communication.

## Activities Committee - Jayden Mattis

Happy Holidays Wagion,

Now you may be asking why some weird chairman is wishing you happy holidays in the middle of May/June, but that's because Wagion is celebrating Christmas in June! Get in your holiday spirit, and join us at Camp Conestoga. We'll have many activities like sled riding, Christmas ornament decorating, a campsite decorating competition, and much, much more. Make sure you end up on the nice list by signing up for this amazing weekend. Will the Grinch make an appearance? Be there to find out! Make sure to be on the lookout on the website and social media for more information regarding activities and competitions. I look forward to seeing you all there!

## Leadership Development Committee - Jayden Mattis

Future Leaders,

I hope you are all having an amazing start to your summer. The Leadership Development Committee is here to provide you with any assistance you would like by offering training opportunities and opportunities to get more involved in the lodge. This September, Wagion is looking to send a crew to the National Leadership Seminar. If you are interested in attending and are looking to broaden your skills, please reach out to Matt Dalton or myself. If you are looking to get more involved in the lodge, please let me know, and we can figure out where your skills and knowledge can best be put to use. Thank you for all you do for Wagion!

Carry On,  
Jayden Mattis

## Communications Committee - Thomas Kopasko

Wagion,

Thank you for your help in submitting articles and getting them in when asked. The Communications Committee appreciates each and every one of your contributions, and your help keeping the lodge informed and excited for upcoming events does not go unnoticed!

As shared in previous issues, the competition for the best content submission is still running, and I encourage you all to do your part and submit something of value to the T-Bird Times past your immediate duties.

Wagon,

I would like to thank everyone for all the help at Conestoga's 75th camporee. We were able to make it a great success. It was great to see so many people in camp, especially those who haven't been around recently.

## Brotherhood Committee - Jack Knopsnider

Greetings Wagon,

We had a great time at the April Weekend! I want to send congratulations to the 17 members that took their Brotherhood. While talking to the members that were taking their Brotherhood, I discovered that there were problems with communication for some members. Some members received a physical letter or an email, but a few did not receive anything regarding Brotherhood. We are working on resolving the issue, and letters and emails will be sent out again. If you do not receive anything, please let me know. To end, if you or someone you know are eligible to take their Brotherhood, please come out to the June Weekend and encourage fellow members to seal their membership.

Carry on,  
Jack Knopsnider

## NOAC Committee - Logan Depta

Wagon,

There will be a mandatory NOAC meeting for all contingent members at the June Weekend.

Go Buccos,  
Logan Depta

## Unit Elections Committee - Jack Jeffries

Greetings Wagon,

I would like to personally thank everyone who helped with elections this year. However, I would also like to thank everyone that made sure their troops had elections. It is an important step that brings new members into the Order. Also, this year is Conestoga's 75th Anniversary and Wagon recently had its 100th Anniversary. Ensuring our troops have an election will keep both Wagon and Conestoga strong for many years to come.

Carry on, Wagon,  
Jack Jeffries

If you have registered for Conclave come see me after the LEC in the OA building so you can be given specific directions on what to do, also look out for an email a week before Conclave from me to give directions on what to bring and not to bring to Conclave. If you have any questions or concerns please feel free to contact me.

## Cub Relations Committee - Ben Hollerman

Wagon,

As I'm writing this, I am reflecting back on another successful Spring Nature Walk. Despite the weather not cooperating, we had over 100 Cub Scouts and family members attend with a fun time had by all. It's always a successful event when the cubs are sent home exhausted. ;-)

I would like to thank the numerous Wagon members who made it possible, whether by promoting the event to their local cub packs or by volunteering during the event. The event would not be possible without your help!

Finally, I would like to thank the people and organizations that were able to put on the events. Shout out to the Army Corps of Engineers at Yough Lake, the Laurel Highlands Model Airplane Group, as well as Ken Koncerack, Clark Guy, Mike Stafford, Frank Maykuth, and the Kifers for helping out by leading stations.

And remember, May the Fourth be with you!

In Service,  
Ben Hollerman

## Vigil Honor Committee - Thomas Kopasko

Greetings Wagion!

It was a pleasure to spend time with all of you at the April Weekend. I really enjoyed seeing so many faces that were happy to be back up to camp.

Thank you to all the Vigil Honor members who came to the nomination forum on Sunday and participated. We had a great turnout, and almost all of the youth Vigil members attended which was a great feat. At this time, we have nominated our Vigil Class of 2024! I am so excited to recognize these truly deserving members of our lodge during the August Weekend, and have much preparation to do in order to make their experience a great and memorable one. I hope to see each and all of you at the June Weekend. Thank you!

## In This Edition: Wagon's Best Campsite

For 75 years now, Scouts have made the annual journey to Camp Conestoga to enjoy the majesty of our beautiful camp. Generations of Scouts have bonded over swimming in the same pool, boating in the same lake, and eating in the same Dining Hall. While we all bond over these shared experiences, we don't all bond over one important aspect: our respective campsites. There has been no shortage of fierce debate surrounding Conestoga's best campsite but only one can be crowned the winner. Fortunately, we will be providing a definitive and unimpeachable ranking of all of Conestoga's campsites.

### Ross' Take

Most locations in the grove can be immediately ruled out. They are only close to Nature and have a long walk to all other areas. My apologies to Kit Carson, Delaware, Bill Cody, Nemacolin, Davey Crockett, and Paiute for occupying the lowest tier in our rankings. Paiute is the only non-grove campsite in this tier due to its isolation at the top of the hill. Seneca and Davey Crockett avoid the lowest tier because they are lakefront property. It's tough to beat that view.

The further up the hill you go the less viable the campsites become; each one suffers from its distance to all locations except for Pathfinder. Shawnee and Catawba follow Paiute in close succession for this exact reason. Moving down the hill, we have Iroquois, Lenape, and Mohawk. There are few notes about these campsites as they don't offer noticeable pros or cons. The same goes for Dan Beard and Seton which round out Tier 3. Coming to the bottom of the hill, Blackhawk gets lumped into our second highest tier along with Colonel Bowie.

Our tiers so far: Tier 4: Kit Carson, Delaware, Bill Cody, Nemacolin, and Paiute. Tier 3: Seneca, Davey Crockett, Shawnee, Catawba, Iroquois, Lenape, Dan Beard, Seton, Mohawk Tier 2: Colonel Bowie, Blackhawk

This brings us to our final tier featuring only two campsites: our runner-up Chief West and our winner Guyasuta. Each of these locations is centrally located with very few disadvantages. They both feature proximity to the pool, the lake, Scoutcraft, Handicraft, COPE, and the Dining Hall. They also have access to Fisherman's Trail for deceptively short trips to the shooting ranges and Hagan's Chapel. Guyasuta takes the win for its flat and vast layout, its spaciousness, and of course, the gorgeous view.

Wherever your campsite falls on this list we can all agree that camping at Conestoga makes us all winners.

## In This Edition: Wagon's Best Campsite

For 75 years now, Scouts have made the annual journey to Camp Conestoga to enjoy the majesty of our beautiful camp. Generations of Scouts have bonded over swimming in the same pool, boating in the same lake, and eating in the same Dining Hall. While we all bond over these shared experiences, we don't all bond over one important aspect: our respective campsites. There has been no shortage of fierce debate surrounding Conestoga's best campsite but only one can be crowned the winner. Fortunately, we will be providing a definitive and unimpeachable ranking of all of Conestoga's campsites.

### Jayden's Take

It is difficult to rank the campsites of Camp Conestoga when Scouters have made memories in every site for many decades before us; however, I know that Scouts, just like George Strait, love some ocean front property. For this reason, Seneca, Davey Crockett, and Colonel Bowie all rank in the top three spots in that order. All of these sites allow campers to enjoy the scenery of Ruth Rhoda lake and the surrounding program areas. Just because the grove holds the top spots on our tier list doesn't mean it's flawless. I would have to say that Nemaocolin claims the lowest rank in our tier list due to its isolation, over-abundance of pine trees, muddiness, and distance from a showerhouse. The remaining grove campsites would occupy the bottom half of our tier list.

Next we'll move onto the valley. Chief West would have to be my favorite site of these campsites, placing it in the fourth position on our list. Guyasuta follows suit, making it number five. Both Chief West and Guyasuta are near the center of camp and offer quick access to almost all program areas. I give Chief West the higher ranking because it is better sheltered from the stormy winds that often blow through Conestoga. Seton and Dan Beard fill the lower-middle portion of the tier list.

Now we discuss our final area: the hill. On the contrary to what many believe, I would place the hill campsites in the middle of our list. Most of the sites have relatively the same pros and cons. They are all easy to access by vehicle if needed and don't get overly muddy after heavy rain. These campsites are all near the hill showerhouse. They also are surrounded by fields that are often filled with the laughter and cheers of units playing a game of kickball, football, freeze-tag, etc. My order for the hill sites from top to bottom would be Iroquois, Blackhawk, Catawba, Shawnee, Mohawk, and then Lenape. The only site that particularly stands out amongst the other hill sites is Paiute. This site is extremely far from the Nature and Scoutcraft program areas. Unless you have legs of iron, Paiute has to occupy the second lowest rank in our tier list.

Do you agree with my list or do you think I need to view Camp Conestoga through a different lens? Let me know at the next lodge event!

Do you agree with these opinions? Think you have a better one? Submit an article to the T-Bird for the next edition of Wagon's new Opinion Column!
